**Re: Graduation**

Dear Parents,

Once again the time has arrived for students who have completed key levels from our academic course to celebrate their accomplishments. Just as last year, our Graduation Ceremony will have to be carried out as a virtual ceremony online. The need for this is because we have not got over the COVID-19 pandemic as yet and there is still a strong need to observe social restrictions.

As the event is actually some time away, nevertheless, I would like to share important information at this point in time. Please take note that the Graduation Ceremony will take place thus:

**DAY** : Graduation for all levels will be on Thursday, June 3<sup>rd</sup>, 2021.

**Time** :

- Kindergarten 2 : The ceremony for children from this class will begin at 1.00 PM
- Year 6 & 10 : The ceremony for students from these levels will begin at 2.30 PM

I wish to invite all Parents and students to join my staff and me to witness this occasion and to congratulate and honour all our graduands. The invitation to the Meet link will be sent to you a few days before the event and also a detailed programme for each graduation level will be emailed to you too.

This broadcast is done to alert you ahead of time to keep this important date on your personal calendar free so that you could join us.

**Something new!**

To add to the pomp and ceremony of the occasion the school will be holding a drive-in 'certificate awarding presentation' in school on the morning of June 5<sup>th</sup>. The event will take place in the school lobby where leaders from the school Admin and mentors and subject teachers will be present to grace the occasion. Students will be scheduled to arrive at school at different times and a photographer will be present to capture the event for each individual. More on this when the time comes.

Best regards,

Principal
